.....  
**Dear Prospective Vendor,**

We are a consignment boutique that has been open 5 years.  
We are open the first two week-ends of May and 10 days the beginning of October each year. We pay the advertising, we display your products in a very unique manner, work the show and assist you when you pick up after the show. Our brother also does a show the same dates. For buyers it is one stop, two shops. He is located across the road from us, he does not do consignment, he makes his own items to sell.

We are linked on many other websites, including the Chamber of Commerce.  
We have over 3000 in our data-base mailing for post-card reminders, our mailing list has visitors from 7 states, especially the spring show. We are members of the Wabasha Chamber of Commerce and are part of the SeptOberfest, a German festival in Wabasha.

Also we have email set up, skipmeurer2006@gmail.com. We continue to work on the web site, so be sure to check it out, more then once. Please tell your friends about it, so they can see our past show, and get all information on future shows.

We feature crafts, collectables, vintage, primitive, antiques, flowers, baskets, hand made wool pictures, outdoor furniture, lots of garden and outside decorating items, sewn and quilted items, a number of clothing designers and much more. We are truly a barn for all seasons.

If you participate in our show, we assign you a vendor number, you mark your items using string tags. When you call to get your vendor number we co-ordinate a delivery date. We will have deliveries start 2 weeks before each show opens. We have the vendor provide an inventory list when you deliver. We work the show very hard, advertising in 3 states, Minnesota, Wisconsin & Iowa, in newspapers, magazines and radio. When you register we ask if you would let us know a little about your crafts. either a description or a picture of your products, we try not to duplicate products.

If you know of other crafters that may be interested in participating, please give them our name, web-site, or telephone number and ask them to contact us.

We welcome positive suggestions and creative ideas on how we may improve our future shows.

**We thank you very much.**
